RS #3240.3
Non-Payment of Tuition and Fees
While there shall be no intention to deny a Catholic education to families who are unable to pay tuition and/or fees, simple economics do not allow operation of a parish school without prudent business procedures.
Families who have not paid all of their tuition and fees by pre-registration time will not be allowed to pre-register their children for the next school year. Families who are not paid up by the last day of school will have pre-registration revoked, and school records will be withheld until all accounts have reconciled. When all payments are made, pre-registration will be accepted and children will be placed according to St. Raphael Student Admission Policy #RS5lll.
Families unable to make the necessary payments must make this known to the pastor who may approve a waiver of payment.
