Admission to the school is based on a number of factors and is ultimately at the discretion of the Pastor. The Pastor reviews all applications to the school. The Pastor will provide an accepted applicant list to the school office.

Important factors considered for admission include extent of family involvement in parish life, and the family's support of the parish in regards to the stewardship concepts of time, talent and treasure. In cases in which family involvement is similar, length of time registered in the parish will be considered. Any applicant who has been denied admission can appeal the decision to the Pastor.

Those applicants who are accepted will be admitted according to the following priority classifications:

1. Siblings of current St. Raphael students
2. Registered active parishioners who are siblings of St. Raphael School graduates
3. Registered active parishioners
4. Students transferring from another Catholic school
5. Non-parishioner Catholic families
6. Non-Catholic families

Separate waiting lists will be kept for each classification by grade. New student applicants will be added to the bottom of the existing waiting lists according to their respective classification. Families on the waiting list will be offered an opportunity to re-register on an annual basis, maintaining their spot on the list as it "moves" to the next higher grade.
